

Making a difference together

OUR PARENT TEACHER ASSOCIATION

Community. Fundraising. Opportunities for children.

Everyone connected to Lowercroft is part of our PTA. Families and staff work together to raise funds and support projects that benefit our children.

MAKING A DIFFERENCE

PTA funding has provided iPads, cameras, interactive whiteboards, class books, a maths app subscription and Sing Up music.

BRINGING US TOGETHER

Past events include school fairs, discos, movie nights, Break the Rules Day and the Smarties Challenge.

A ROLE FOR EVERYONE

Help on a stall, set up an event, deliver leaflets, design posters or share ideas. New helpers are always welcome.

EVERYDAY FUNDRAISING

Easyfundraising lets participating brands donate when you shop online. The PTA also seeks grants to support school projects.

COME AND SAY HELLO
