

Young voices. Growing leaders.

OUR PUPIL LEADERSHIP TEAM

Responsibility. Confidence. A sense of belonging.

Pupil leadership gives children opportunities to take responsibility, represent Lowercroft and contribute to our school community. Our leaders put our ERICC values into action.

HEAD BOY & HEAD GIRL

Our Head Boy and Head Girl, supported by their deputies, represent the school and set a positive example for younger pupils.

HOUSE CAPTAINS

House Captains encourage teamwork, celebrate achievement and help children feel proud to belong to their House.

SCHOOL AMBASSADORS

Ambassadors represent Lowercroft, welcome visitors and help showcase what makes our school special.

PUPIL VOICE

Leadership creates opportunities to share ideas, listen to others and contribute to discussions about school life.

LEARNING TO LEAD

Children apply for leadership roles each year. Taking on a role helps them develop communication, organisation and confidence, while learning to consider the needs of others.

A FRIENDLY FACE FOR OUR YOUNGEST CHILDREN

Alongside our leadership team, every Reception child is paired with a Year 6 buddy. These friendships help new children feel welcome and give older pupils a special responsibility.

MEET OUR PUPIL LEADERS TONIGHT

Our pupils are welcoming families, supporting tours and showcasing learning. Ask them about their roles and what they enjoy about Lowercroft!
