

A happy start in Reception

RECEPTION 2027 • MS TATTERSALL & MRS THOMPSON

Settle. Discover. Grow in independence.

Friendly faces, familiar routines and new friendships help children feel at home. Play, talk and exploration build the foundations for learning and the confidence to say, "I can do it myself!"

SPACE TO EXPLORE

One Reception class with up to 30 children, a large sunny classroom and a dedicated, refurbished outdoor area.

PLAY WITH PURPOSE

Choosing time gives children opportunities to investigate, create and practise new skills through indoor and outdoor learning.

FOUNDATIONS FOR LEARNING

Daily phonics, literacy and maths sit alongside stories, science, creative activities, movement and learning about the world.

A BUDDY FROM THE BEGINNING

Each child is paired with a Year 6 buddy. Older pupils help children feel welcome, with an annual Buddy Assembly to celebrate together.

A TYPICAL DAY IN RECEPTION

Morning: Registration at 8:50, phonics, choosing time, playtime and maths.

Lunch: 11:30, followed by playtime.

Afternoon: Literacy, choosing time, science and storytime.

Home time: 3:10.

COME AND EXPLORE OUR CLASSROOM

Meet Ms Tattersall and Mrs Thompson, see our learning spaces and ask us about your child's first steps at Lowercroft.

A place to grow, explore and belong.
