

Every child. Every opportunity.

OUR INCLUSIVE SEND OFFER

Belonging. Understanding. Achievement.

We want every child to feel valued, included and able to succeed. Our ERICC values shape a caring approach that recognises children's strengths and helps remove barriers to learning.

UNDERSTANDING EACH CHILD

We identify needs early, listening to children and families and considering what helps each child learn and participate.

SUPPORT IN THE CLASSROOM

Inclusive teaching, reasonable adjustments and targeted support help children access learning. SEN Support provides additional or different provision where needed.

WORKING WITH FAMILIES

Parents and carers help shape support and review progress. We agree next steps together and celebrate academic, social, creative and sporting achievements.

SPECIALIST PARTNERSHIPS

When appropriate, we involve educational psychologists and therapists. For more complex needs, we discuss EHC needs assessments and support children with EHCPs.

SUPPORT THAT DEVELOPS WITH YOUR CHILD

ASSESS → PLAN → DO → REVIEW

Understand needs, agree support, put it into practice and review its impact. This ongoing cycle helps us adapt provision as children develop.

CONFIDENCE, REGULATION & INDEPENDENCE

Depending on individual need, support may include visual routines, movement breaks, sensory tools, quieter spaces and emotional wellbeing support. We help children build independence at their own pace.

LET'S TALK ABOUT YOUR CHILD

Speak to your class teacher or Mrs Sarah Parkinson, SENDCo.
School office: 0161 761 2798 • sparkinson@lowercroft.co.uk
We can also signpost you to Bury's SEND Local Offer and SENDIASS.

A place to grow, explore and belong.
