ENRICHMENT HELPS OUR ERICC VALUES GROW

Colour or tick a value each time you notice how enrichment has helped you grow.

EMPATHY

I thought about how others feel.

RESPECT

I listened, shared and valued others.

INDEPENDENCE

I had a go and made my own choices.

COURAGE

I tried, even when I felt unsure.

CURIOSITY

I asked questions and explored.

Small choices help our values become habits.

MY ENRICHMENT YEAR

My favourite experience was...

I discovered I was good at...

Something that challenged me was...

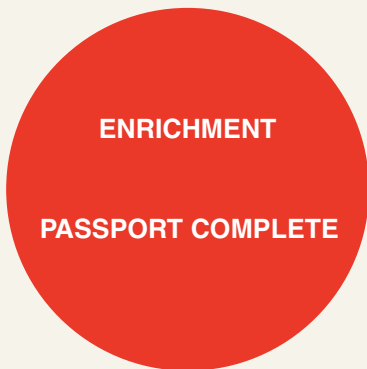

Next year I would love to try...

MY HIGHLIGHT

Draw it, describe it or add a photograph of a moment you are proud of.
