It has been another busy week at Lowercroft. Our pupil leadership teams have already met to plan the year ahead and our school Instagram continues to showcase lots of activity from across the school. We were pleased to see such a good turnout for our Macmillan coffee and cake afternoon and thank you to everyone who supported the event. Some of our Year 3 pupils also visited Bury food bank to see how food is collected and distributed - a valuable learning experience about community support. ERICC's Holiday Club - October Half Term

ERICC's has continued to go from strength to strength and we are delighted with how successful the provision has been so far. The children have been enjoying a range of activities - even helping nature to thrive with a hedgehog hotel!! The club is currently running from the school hall and KS2 resource area while the annex is being refurbished. We look forward to inviting families to an open afternoon later in the term once the works have been completed. A huge thank you goes to Mrs Davis and Mrs Jones, who have worked tirelessly to get the club up and running - even giving up their weekends to paint, shop and prepare the space for our children.

In the meantime, we are pleased to confirm that ERICC's Club will be running again over the October half term, following the fantastic feedback from our summer provision. The club will be led by Mrs Davis supported by Mrs Jones and other members of our school staff team. Sessions run from 8:30am-12:00pm (£15) and 12:00pm-3:30pm (£15) or children can attend for the full day 8:30am-3:30pm (£25). Discounts are available for siblings. Children will need to bring a packed lunch if they are staying all day. Booking will open next week through 'Magic Booking'. We look forward to welcoming lots of children for another fun and active holiday club.

Thank you to all the children in ERICC's who kindly built a safe haven for our local hedgehogs!! 5 star accommodation for sure!!

Year 6 Leadership Roles

This week our Year 6 pupils in leadership roles – Head Boy, Head Girl, Deputy Head Boy, Deputy Head Girl, House Captains and House Ambassadors – met together to discuss how they will contribute to school life this year. Their responsibilities will include monitoring behaviour, leading assemblies, running pupil voice sessions and composing house chants to motivate their teams. The group also shared some excellent new ideas, which we will look to build on over the year. These roles give our pupils the chance to make a real difference across the school community, while developing their own leadership and teamwork skills. I am very much looking forward to seeing their confidence grow and the positive impact they will have as role models for others.

Notices:

We are looking for volunteers to help catalogue library books. If you are able to spare some time, please see Mrs Kay.

A big thank you to everyone who attended our Macmillan Coffee Afternoon. We will share more about this fantastic event in next week's newsletter.

Well done to Year 3, who visited the Porch Box Project to learn how food is collected and distributed. We will share more on this next week.
