Dear Parents and Carers,

It has been another exciting week at Lowercroft. Our Dragon Dance workshops were thoroughly enjoyed by all, giving the children a wonderful opportunity to experience a new cultural tradition. We also celebrated World Book Day with a range of activities, including our creative Wooden Spoon Character Competition, which showcased the children's imagination and love of reading. Alongside this, our ERICC's club has been running its own Easter Egg competition, adding to the excitement across school. As we move into March, there are lots of exciting events and opportunities to look forward to.

We had a fantastic time celebrating World Book Day, with every class spending the day fully immersed in a range of reading activities. Pupils enjoyed sharing books in different ways, including pairing up with other classes to read together, which created a lovely sense of community across the school. The children also made a brilliant effort with their World Book Day costumes, arriving in a wide range of creative and imaginative outfits inspired by their favourite characters. Staff also joined in the fun and clearly enjoyed getting involved, although I may need to update my "Where's Wally?" costume as I was asked several times who I was supposed to be! We also had our first mystery reader- thank you to Sebastian's mum who came in to read a story to Reception. A particular highlight was seeing all the entries in our Wooden Spoon Character Competition. The creativity and effort that went into the designs were amazing, making it extremely difficult to choose the winners. Well done to all the winners, and a big thank you to every child who took part....the hall looked fantastic filled with such imaginative book characters. After much discussion, our staff and Pupil Leadership Team finally selected the following winners:

Wooden Spoon Winners

## Dragon Dance Workshop

This week the children thoroughly enjoyed taking part in our Dragon Dance workshops, learning about the traditions behind the Chinese Dragon Dance and how teamwork is needed to bring the dragon to life. Each class had the opportunity to take part in a hands-on session and experience the movement and rhythm involved in this cultural celebration. The workshop leader also commented on how wonderful our children were, saying that she visits many schools and that Lowercroft is one of the nicest she has worked in. We were very proud to hear such lovely feedback about our pupils and school.
