# Let's Celebrate!

## Goodbye & Good Luck Mrs Malji!

We would like to take a moment to wish Mrs. Malji all the very best as she begins this exciting new adventure—welcoming her little one into the world! As a much-loved and valued member of the Lowercroft team, she will be truly missed by staff and students alike. The whole school came together in the hall to celebrate her time at Lowercroft, presenting her with gifts and cards to show our appreciation. We can't wait to hear the wonderful news of her baby's arrival and will be sure to share it with you all as soon as we can!

## NOTICES

### Podcast Shout Outs:

As part of our exciting new podcasting club, we're giving children the chance to be celebrated for their achievements outside of school! This week, Mr. Roberts sent out a letter inviting families to send in requests for shout-outs. If your child has taken part in an activity or accomplished something special, we'd love to feature them on the podcast! Simply send a note via Seesaw or pass a written message to your child's class teacher, including their first name, year group, and a brief description of their achievement. We can't wait to share and celebrate their successes!

### Dog's Trust Workshops

We are excited to announce that on **Monday, 17th March**, Lowercroft will host special workshops in collaboration with Dogs Trust, the UK's largest dog welfare charity. These engaging sessions aim to teach our children how to behave safely and responsibly around dogs, promoting positive attitudes and safe behaviours. Please note: **THERE WILL BE NO DOGS COMING TO THE EVENT.**

### Netball Success:

Our school netball team recently competed in an rally, showcasing their fantastic teamwork and determination. They played brilliantly, winning two matches and drawing one, demonstrating great sportsmanship throughout. Their behaviour was exemplary, making us incredibly proud both on and off the court. Well done to the team for their hard work and dedication!
