**CURIOSITY**

Welcome to this week's newsletter!

It's been a busy couple of weeks in school with a wide range of activities and opportunities taking place across the year groups. Year 6 have taken part in two valuable experiences: a visit to Crucial Crew, where they learned about personal safety and responsibility, and a trip to a local Air Raid Shelter to support their history work on World War II. Pupils across the school also rose to the challenge in the recent Mathsletic competition, demonstrating great problem-solving skills and teamwork. Our girls' football team represented the school brilliantly in a tournament on Thursday - well done to everyone involved.

Our Reception children are off to Blackpool Zoo, which promises to be an exciting and educational day out.

As always, thank you for your continued support. Read on for more updates from across the school.

## Key Dates & Information Week Beginning 31st March 2025

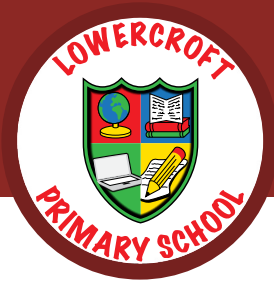

Date	Event	Information

Rubiks Cube skills (KS2)	Friday	12:30 - 1:00	Mr Moss	Y3 classroom	

# Let's Celebrate!

## World Mathsletic Assembly

Mathsletic Assembly Adds Up to a Great Morning!

This week's Mathsletic Assembly was a huge hit with pupils and staff alike. The whole school came together for a high-energy celebration of all things maths, with a Times Tables Rock Stars theme that saw even the staff getting involved - complete with costumes, dance moves, and plenty of enthusiasm!

One of the highlights of the assembly was when Bobby in Year 2 wowed everyone by confidently solving - and clearly explaining - a challenging Year 6 question. A fantastic moment that really showed off the depth of understanding our younger pupils are developing. There was even a dance-off, which had everyone on their feet, and bonus points were handed out for brilliant sitting and superb audience behaviour throughout.

After a close contest, Neptune were crowned the final winners - just 10 points ahead of the competition. A huge well done to Neptune and to everyone who took part. The energy, effort and enthusiasm on display made it a morning to remember..

## Girls' Football Team Qualify for Quarter-Finals!

**We're thrilled to share that our girls' football team have made it through to the quarter-finals! With two impressive wins and two hard-fought draws, the team showed fantastic skill, determination, and teamwork throughout their matches.**

**They'll be playing in the quarter-finals on 24th April - Well done, girls - we're all behind you!**

## Attendance

Whole School	99%
Class Winners	Rec, Y1 & Y2 All with 100%

## Gold Coin Winners

Year 1	37 coins
	Toasty Tuesday next week for Y1

## This Week's House Points

Mars	576
Neptune	<u>921</u>
Mercury	856
Venus	540

## NOTICES

- School Podcast Launch!**  
We're excited to announce that the very first episode of our school podcast will be broadcast this week on Friday 4th April 2025! It's a fantastic listen, featuring pupil voices, school news, and a special guest appearance from athlete Emily Ford.
  - Kids with Bricks - Coming Next Term for KS1!**  
We're pleased to let you know that Kids with Bricks will be running next term. For more details, please refer to the letter that was sent home earlier this term.  
It's set to be a creative and fun experience - we can't wait to see what the children build!
  - Olympic Medalist Emily Ford Visiting School!**  
We're delighted to welcome Emily Ford, Olympic medalist, to our school! She'll be working with the children and sharing her incredible experiences as an athlete.  
Emily will also be featured in an interview on our first podcast episode, airing on Friday 4th April 2025 - don't miss it!
  - School Council Ideas**  
Our School Council have been busy thinking about ways to improve our school. They've come up with some great suggestions - take a look on Seesaw to see what they've been working on!
- PTA**
- Summer Circus - Tickets On Sale!**  
Tickets for our Summer Circus will soon be available to the wider community. They're selling fast, so please make sure to secure yours through the PTA to avoid missing out on this exciting event! It's going to be a show to remember!

Finally...it's been a busy end to the term, with plenty going on - from the girls' football team making it to the quarter-finals, to the launch of our new school podcast featuring Olympic medalist Emily Ford, who will also be visiting to work with pupils. We'll be sharing more about these events, along with the rest of this week's activities, in the next newsletter. We'll also include the new clubs schedule for the Summer Term in the next edition.
