Welcome to this week's newsletter!

What a wonderful (albeit short!) week it's been at school. We've enjoyed some beautiful weather, which has made our busy days even brighter. A highlight was the Year 4 sleepover, which was a huge success—full of fun, challenge and teamwork. We're also excited to share that the second edition of our school podcast was released this week—don't forget to give it a listen! Please read on to find out what's happening next week in school.

## Year 4 Sleepover: A Night of Adventure at School

Last week, our Year 4 pupils took part in an unforgettable overnight experience—right here at school. Organised in partnership with The Outdoors People, the event brought all the excitement of a school camp without leaving the building.

Pupils stayed overnight inside the school, while the field became a hub for outdoor challenges and team activities, all expertly led by The Outdoors People's accredited instructors. A camp flag proudly flew on the school grounds, marking the occasion and setting the tone for a real adventure. The tailored programme focused on building teamwork, resilience, and confidence, while ensuring everyone had a great time.

The children showed impressive , courage and resilience throughout—from tackling new challenges to spending the night away from home in a familiar but transformed setting. Mrs Kay couldn't have been prouder, and her enthusiasm says it all: she's already booked next year's sleepover, promising an even bigger and better event. Year 3, you're up next!

Huge thanks to The Outdoors People and our dedicated staff for making the sleepover such a success—and well done to Year 4 for making it such a memorable night.

## NOTICES

### No Choir Next Week

Please note that choir will not be running next week due to the Girls' Football Semi-Final. We wish the team the best of luck!

### Naming School Uniform

With the warmer weather, children are more likely to remove jumpers during the day. Please ensure all uniform items are clearly named to help us return any lost property promptly.

### Jewellery in School

We've noticed some older pupils wearing jewellery during the school day. For safety reasons—and to avoid valuable items being misplaced—we kindly ask that jewellery is left at home.

### Speaking to Members of the Public

We have been reminding pupils not to engage in conversation with members of the public passing by the school during lunch/play times. We would appreciate your support in reinforcing this message at home.

It's been a busy and productive week across the school, helped along by the warm weather and plenty of activity both in and out of the classroom. Thank you for your continued support. We hope you enjoy the bank holiday weekend and stay cool in the heat—we'll see everyone back next week.
