CURIOSITY

As we head into the penultimate week of term, the last couple of weeks have been full of activity and achievement across the school. Year 6 have been particularly busy, with their performance of Mary Poppins, Enterprise week and Bikeability training. Our KS2 girls' football team also reached the final, showing great teamwork and determination. Meanwhile, Year 3 enjoyed their trip to Chester Zoo and Year 5 took on the challenges at Go Ape. You can read more about all of these events below, where I've shared more detail and some highlights from each.

### Go Ape a Chester Zoo!!

Year 3 and Year 5 both enjoyed exciting trips recently, full of adventure and learning. Year 3 visited Chester Zoo, where they explored the different animal habitats and learned about wildlife from around the world – a fantastic experience that brought their science and geography learning to life. Year 5 headed to Go Ape, taking on the high ropes and zip lines with plenty of courage and teamwork. It was great to see everyone supporting each other and challenging themselves to try something new. Well done to both year groups for representing Lowercroft so well on their trips.

### Bury FC Macots

We're excited to share that 11 children have been drawn out of a hat to be mascots at Bury FC. They will have the fantastic opportunity to meet the manager and players before the match. A memorable experience for everyone involved. Well done to those selected!

## Lowercroft's Supercalifragilistic Year 6!

This week, Year 6 treated us to a fantastic performance of Mary Poppins — a wonderful way to round off their time at Lowercroft. Every single child, whether their role was big or small, played their part brilliantly. It was a true showcase of talent and teamwork, with the children supporting and cheering each other on throughout. The result was a polished, entertaining and heart-warming production that everyone involved can be proud of.

We'd also like to say a huge thank you to everyone who supported the event through ticket sales, the raffle and the tuck shop. Together, we raised an impressive £874.71, which will go towards improving the Reception outdoor area.

Well done to Year 6. What a memorable end to your journey with us!

## Girls' Football

Congratulations to our girls' football team, who have rounded off an incredible year by winning yet another tournament — completing a brilliant double! The finals took place at Red Bank fields in Radcliffe, where the team showed determination, teamwork and skill to come out on top once again. They have enjoyed great success this year, and it's been fantastic to see their hard work and talent recognised in this way. Well done to all the players. A fantastic achievement and a proud moment for Lowercroft!

## Notices

- A reminder to parents to sign up for our Summer Club if you haven't already — places are still available! We've also introduced a sibling discount this year to help families. If you've already booked but didn't apply the discount, please either re-book with the discount applied or contact the school office and we can adjust it for you.

## Year 6 Take on the Dragons' Den!

Year 6 put their entrepreneurial skills to the test last week in our Young Enterprise challenge, inspired by Dragons' Den and Lord Sugar's famous catchphrase, "You're hired!" The children worked in teams to create, market and sell their own products, showcasing creativity, teamwork and some impressive sales techniques along the way.

A special mention goes to George, whose enterprising email secured a £100 voucher donation from B&M. Such a fantastic example of initiative that really helped the teams get started. We're now waiting to find out which team made the most profit. The results will be shared soon! Thank you to the PTA for supporting this event and helping to make it such a valuable and enjoyable experience for the children.

## The Pride of Lowercroft

A big well done to this term's winners of the Pride of Lowercroft award:

Ruhan - Reception  
Frank: Year 5

This special award is given to children who truly demonstrate our school values and go above and beyond to be the very best they can be. We are proud of all our winners and the excellent example they set for others — well done to each of you!
